- ✓ Upon entering the parking lot, a volunteer will request your identification and ask you to open the trunk of your vehicle in order to identify the type of waste you have.
- ✓ You will be given a questionnaire requesting your name and address.
- ✓ While at the drop-off site, please stay in your vehicle at all times.
- ✓ You will then be directed to the collection area.
- ✓ The collection begins at 8:00 A.M. sharp and moves quickly.
- ✓ Being the first in line at 7:30 A.M. only ensures that you will wait an additional 30 minutes.

Commercial waste may be collected for a fee at an HHW event only by prior arrangement. Contact COGCV for details.

There is NO CHARGE for this service.

Proof of residency required
Drivers license preferred

What is Household Hazardous Waste?

Any waste produced in the home that is poisonous, flammable, explosive, reactive, or corrosive is considered household hazardous waste (**Note: Explosives are never accepted at HHW Collections**). If not properly disposed of, these wastes can be harmful to human health and the environment.

Do not pour these wastes down the drain, dump them "out back," or throw them in the trash.

For more information, contact your local recycling coordinator at:
