BELOW ARE PROGRAMS OFFERED TO OUR MEMBERS DURING THE MONTH

All closings, or class changes are shown in calendar on opposite page. Note: All members are requested and required to register at one of our kiosks (located in front lobby and at back doors of Center), by entering their phone number and registering for each class/event they are attending and/or as a drop in if just "stopping in". Please bring your own water as water fountains remain out of service. All visitors are required to register at the front office. We ask that you do not pre-check in for any class or program that is taking place at a later time in the day until you are about to enter the room. This helps keep numbers for attendance of classes/programs accurate, as well as the number of people in the building at any one time..
