

SOUTHBURY MAKERS SPOTLIGHT

Jen and Chris Reid, of Reid Studios

This month we feature an incredibly talented Southbury duo, Jen and Chris Reid of Reid Studios.

"Reid Studios is a multidisciplinary small business," said Jen Reid. "Chris runs a hybrid role of general contracting and custom woodworking, while I run small pottery classes and create fine ceramic wares. Together, we specialize in custom furnishings and millwork, as well as handmade, bespoke home decor and kitchenware."

Jen and Chris Reid grew up in Newtown, CT., and later reconnected during their college years. Inspired by their shared belief that handcrafted objects have an intrinsic purpose in enhancing the interior landscape of the home, Jen and Chris began Reid Studios in 2021.

For more information, or if you are interested in being featured in an upcoming issue of the Southbury Makers Spotlight, please contact us at edcsouthburymakers@gmail.com.
