Notwithstanding the time constraints set forth in this paragraph, the Board of Selectmen may in its discretion adjust the time frame so that any subsequent referendum is held on the same date as any subsequent Region 15 referendum. If the Board of Selectmen determines it to be in the best interests of the town to hold a subsequent referendum on the same date as any subsequent Region 15 referendum.

If a budget is not adopted prior to the end of the fiscal year the budget adopted for the then current fiscal year shall be deemed to be the interim budget for the forthcoming fiscal year and expenditures may be made on a month-to-month basis in accordance therewith, until such a time as a new budget is adopted at referendum.

As soon as possible the Board of Selectmen shall meet to determine the number of installment tax payments in accordance with the General Statutes. Nothing herein shall prevent the Board of Selectmen from exercising the power conferred upon it by the General Statutes to set the mill rate for the ensuing fiscal year and to cause taxes to be levied thereon in the event that adoption of the budget is delayed.
