Re: RFQ 2023-006: Construction Equipment Rental Services

Qualifications were solicited for contractors to be prequalified to provide construction equipment rental services for a 3-year term. Five submittals were received on April 4, 2023. Present at the opening were Matt Tarnowski, Betsy Rosa, and Jeff Manville. In accordance with the Town's Bidding and Procurement Policy, a committee met to review the qualifications, and consisted of the following: Jeff Manville, Blake Leonard, Tom Farrelly, and Matt Tarnowski.

Upon careful review and consideration, based on the submittals received, it is our recommendation that the following contractors be prequalified:

- Reliable Excavating Co., Inc.
- Sinopoli Contractors, Inc.
- Stone Construction Co., Inc.

I request that the Board of Selectmen accept this recommendation so we can proceed with soliciting rental rates from these contractors. Following approval, an RFP will be released allowing the prequalified contractors to bid prices for the rental of specific equipment for the remainder of the year. If you have any questions please let me know.
