Re: RFP 2024-002: Detention Basin Mowing & Hydroseeding

Four bids for Detention Basin Mowing & Hydroseeding were received on May 20, 2024. Present at the bid opening were Tom Farrelly and Matt Tarnowski, DPW. Also present was Cliff Fritzell of Gold Coast Property Maintenance. Bids were solicited for maintenance of town-owned detention basins and other areas that require heavy brush mowing and hydroseeding.

Based on the bids received, it is our recommendation that the bid be awarded to MRC Property Services. MRC has significant experience in various aspects of landscaping and has worked for the town on numerous past projects, including previously hydroseeding a number of the town's detention basins. Please see the attached sheet detailing each bid received and an extended cost estimate.

If you have any questions please let me know.
