Town of Southbury COVID Information Please share with your business network

A note from the Economic Development Director:

With the holiday now past, I continue to hear from many of you understandably struggling to make sense of the various emergency funding opportunities from the state and federal government. If you have received any funding please let me know so we may have a reality marker on how long it takes. We continue to provide links to resources and information collected on our COVID-19 business resource information page: <https://www.southbury-ct.org/business-covid19>

COMING SOON: A survey from the EDC will be coming out shortly to gauge how COVID-19 has impacted our Southbury business community. This will be important to our road to recovery.

If you have questions, or need to discuss anything related to your business, do not hesitate to call me at (203) 262-0683 or (203) 586-9782 or e-mail: EcoDevDirector@southbury-ct.gov
